I am seeking my third and final term on the Prairie South Division Board.

Over the last seven years it has been my honour and privilege to represent the students, parents and ratepayers of Subdivision 3.

I have done my best to represent the four subdivision schools at the Prairie South Board Meetings. I am extremely proud of all four schools. As a collaborative team, we are bringing quality education to our students.

There are challenges in education that Prairie South certainly faces. The biggest challenge is sustained educational funding. In 2005-2006, a massive school division consolidation took place that changed the funding and administration of our local schools. The next change that may be coming is Transformational Change; this was announced in the spring budget.

As your elected representative, I will work tirelessly to make sure our Ward 3 schools receive adequate funding to sustain our school programs and curricula.

On a personal note, I am a retired school administrator. I am married with 3 adult children.

I would be honoured to be your elected Board Member. On October 26 I ask for your support.
