Young continues to be committed to providing the best education for our students, ensuring that all students in the division have a safe environment and that they continue to have the up to date resources needed for their education.

Priorities:

1. To provide a high quality learning program that promotes and facilitates student learning and achievement.
2. Supports the value of Early Childhood Education
3. Maintain a viable and sustainable school division. Using the resources available to effectively and efficiently enhance student learning.
4. Assuring that PSSD continues to be a “Preferred Employer” for our 1400 employees
5. Continue to look at better ways that our facilities can be utilized in offering a good learning program.
6. Was a trustee during the amalgamation of our historic school divisions ten years ago and is looking forward to being a part of the Provincial Governments “Transformational Change” discussions on how education will be delivered in our province in the years to come.
