I am confident that through my education and experience I have the skills and qualifications necessary to be a productive board member of the Prairie South School Division No. 210 Subdivision No. 6.

I believe that I am able to contribute in a variety of areas within a school system having been an educator for thirty plus years, a mother, a grandmother and an active community member.

I am currently the chairperson of the John Chisholm School Community Council and a board member of the Moose Jaw Non-Profit Housing Corporation.

My greatest asset is my communication skills which enable me to establish a strong rapport and build amicable relationships with others. I look forward to serving the community of Prairie South School Division No. 210.
