

Candidate Profile – Shawn Davidson

It has been a privilege to serve as Trustee for Subdivision 5 of the Prairie South School Division for the past 7 years, and I am seeking re-election for another 4 years.

During the past 7 years much has been accomplished in our division, but there is still much to do. As Board Chair for the past 3 years I have been more involved at the provincial level and look forward working with the province in navigating “transformational change” for Prairie South Schools. I would like to thank my fellow trustees for their confidence in electing me as their Chairperson.

Together with my wife Krista and 4 children, I operate a 250 head cow/calf ranch and grain farming operation south of Aneroid. I also work part time as a veterinarian in Assiniboia, SK and Scobey, MT.

Thank you for your continued support.
