

Post-Secondary Prerequisites Links

<u>University of Saskatchewan</u> – Please look under the "Program Specific Requirements and Deadlines" tabs for prerequisite information for direct and non-direct programs.

<u>University of Regina</u> – Please select from the drop down menus in the "Are You Admissible?" tool box. You will want to select "High School Student" from the Student Type box.

<u>Saskatchewan Polytechnic</u> – Under each program you encounter you will see a tab that is marked "Admissions". This will show you the Admission Requirements to be accepted into that program.

<u>University of Alberta</u> – Under "Course Requirements" please checkout the program listings. From there you can select the program you wish and see the program prerequisites. Also you can see the <u>Saskatchewan Provincial Equivalents</u> chart to see Alberta and Saskatchewan credit equivalencies.

<u>University of Calgary</u> – Use the Admission Requirement and Information tool to find prerequisistes for programs.
