

BOARD DELEGATION OF AUTHORITY

The Board authorizes the Director of Education to do any act or thing or to exercise any power that the Board may do, or is required to do, or may exercise, except those matters which, in accordance with provincial legislation, cannot be delegated. This delegation of authority to the Director of Education specifically:

- Includes any authority or responsibility set out in the Education Act and Regulations as well as authority or responsibility set out in other legislation or regulations;
- Includes the ability to enact Administrative Procedures, regulations or practices required to carry out this authority; and
- Includes the ability to sub-delegate this authority and responsibility as required.

Notwithstanding the above, the Board reserves to itself the authority to make decisions on specific matters requiring Board approval. This reserved authority of the Board is set out in Board policies, as amended from time to time.

Further, the Board requires that any significant new provincial, regional or local obligations must be initially brought to the Board for discussion and determination of decision-making authority.

Specifically

1. The Director of Education is directed to develop an Administrative Procedure to fulfill the Board obligations created by federal, provincial or local legislation which are not covered through Board policy.
2. The Director of Education is delegated authority for implementing the requirements of the LAFOIPP or its successor legislation.
3. The Board authorizes the payment of accounts for expenditures incurred within the approved Budget or specific Board decisions and in accordance with Board policy and generally accepted accounting principles, and delegates to the Director of Education responsibility for certification of such payments.
