

The Board held a Special Board Meeting on November 22, 2022 to approve the draft Annual Report and Audited Financial Statements for the 2021-2022 school year.

## Annual Report

The Board received a presentation from our Director of Education, Ryan Boughen and our Superintendents of Student Operations, Jennifer Prokopetz and Derrick Huschi on our Annual Report, which covers the 2021-2022 school year and is tabled in the Saskatchewan Legislature annually. The Ministry provides a standard template for school divisions to complete which includes information on our School Community Councils, our strategic plans and priorities, our progress for the priorities, our infrastructure projects, and transportation statistics. The Annual Report will be posted on our website for public viewing once final approval has been given by the Ministry.

## Audited Financial Statements Reviewed

Our Superintendent of Business, Ron Purdy, presented the draft Audited Financial Statements to the Board, which is an appendix to the Annual Report. Our auditors, Deloitte LLP and the Provincial Auditor were also present. We were given a clean audit opinion and the Board would like to express their appreciation to our business department for all their dedication on completing this important work. The statements will be posted as an Appendix to the Annual Report once final approval has been given by the Ministry.
