

Welcome Patrick Boyle!

The Board of Education officially welcomed their newest member, Patrick Boyle, as trustee for Subdivision #6, elected in our By-Election held on March 9, 2023. Patrick is a long-time Moose Jaw resident. He and his wife have three children currently attending school in Prairie South. Patrick is the Executive Director of Communications and Client Services for the Water Security Agency. We are excited to welcome Patrick to the Board.

Flag Raising with New Southern Plains Metis Local 160

Today we strengthened our partnership with the New Southern Plains Métis Local 160 as we permanently raised the Métis flag in our Board Office. This flag represents a commitment to continually educating ourselves and doing our part in actions toward meaningful truth and reconciliation. We are committed to developing relationships among all students to enhance their sense of cultural identity, belonging and security. Everyone is welcome and supported in Prairie South Schools. We thank Darrell Hawman for attending this flag raising with our Board and Senior Administration.
