BOARD HIGHLIGHTS

CHANGES TO BOARD POLICY 17 - TRANSPORTATION

The Board of Education has approved changes to *Board Policy 17 - Transportation* which will affect the walking distances for students who attend elementary schools in Moose Jaw. Prekindergarten and Kindergarten students will now qualify for busing if they live 500 meters from school and they can walk up to 500 meters to a bus stop. For Grades 1-8 students, the distance they can walk to a stop will be increased to 1 km.

Due to these Board-approved changes, Sunningdale School’s walking circle map has been updated. Information will be shared with parents/guardians directly from the school. The walking circle map for our new Coteau Hills Elementary School on South Hill has also been approved. Parents will receive a communication from their school which will include the new walking circle map.

Visit our [website](#) to view the new walking circle maps.

A.E. PEACOCK COLLEGIATE RECEIVES MOSAIC SCHOOL NUTRITION AWARD

We are excited to announce that A.E. Peacock Collegiate has been awarded \$15,000 through the Mosaic School Nutrition Challenge!

The Mosaic School Nutrition Challenge, sponsored by The Mosaic Company in partnership with the Saskatchewan School Boards Association (SSBA), selects 10 schools from across Saskatchewan and helps support student nutrition in schools.

Thank you to The Mosaic Company and SSBA for their generous support and commitment to student health.

THANK YOU!

A big thank you to the South Hill Community Association who donated \$5,000 for our new playground at Coteau Hills Elementary School!
