VOICES TO ENCOURAGE CHANGE (VTEC) STUDENTS

Students from across Prairie South worked with Derrick Huschi, Superintendent of School Operations, over the last couple months with a focus on increasing student attendance. Today they provided the Board with some recommendations on how to accomplish this. Some of those recommendations include making classes more engaging for students, have consequences for students who do not attend classes, set appropriate deadlines for assignments and stick to them, and make school and classes a welcoming place for all students. Senior Administration will take the recommendations forward to the school-based administrators' group to help guide future work. The Board would like to thank the students for their wonderful presentation, and we look forward to continuing our work with future VTEC students.

2025-2026 BUDGET

Our Board of Education approved the budget for the 2025-2026 school year. The approved operating budget features \$110,759,381M in revenues and \$108,764,539M in expenses. After amortization, this creates a \$435,867 cash draw, which will be offset by using reserve funds. This budget is about supporting students - whether it is through classroom resources, teacher supports, or safe facilities.

Please see the [Media Release](#) for more information.

BOARD POLICY 17 - TRANSPORTATION

The Board passed a motion to change Board Policy 17 - Transportation to include hazards within the Sunningdale School catchment area. Visit our [Board Policy 17](#) on our website for more information.

RETIREMENT CELEBRATION

The Board of Education hosted the 2024-2025 retirees on June 3 in Moose Jaw. We had a total of 35 retirees this school year and 20 of them were able to join us at the event. We want to wish our retirees all the best as they begin their new journey.

Congratulations
