

ADMISSIONS OF STUDENTS

Background

Prairie South School Division provides the children and parents of the School Division learning opportunities within the context of the Board's vision, mission, and beliefs.

All persons, according to *The Education Act, 1995* who have attained the age of six years, but not yet attained the age of 22 years, have the right to attend a school in a school division and a right to secure instruction appropriate to their age and level of educational achievement.

The student's right to receive instruction is the right to instruction in courses or programs approved by the Board. This instruction may be provided in the schools of the Division, or in Board-approved schools or institutions outside the Board's jurisdiction.

The Division may provide programs and services to persons beyond those required by provincial legislation.
