

STUDENT ATTENDANCE

Background

Students are required to attend school in accordance with *The Education Act, 1995* and individual school administrative procedures. When students are absent from school, the school division provides support, determines underlying reasons for non-attendance and implements appropriate intervention strategies.

The school division believes regular and punctual attendance is necessary for students to maximize their learning and achievement. The school division also:

- Believes in a collaborative approach between the school and the parent/guardian in expecting and supporting regular attendance of students.
- Requires that schools track and record student attendance consistently on a daily basis and investigate reasons for non-attendance.
- Requests that parents/guardians communicate to the school prior notice of a student's unavoidable absence.
- Understands that ongoing collaboration may be needed to support a student when avoidable absences/tardiness negatively impacts their learning and achievement.

Procedures

1. Tracking and Recording Protocol

The principal shall:

- 1.1 Implement school-based tracking, recording and reporting procedures that are consistent with the legislation and other directives issued by the Ministry.
- 1.2 Ensure that investigations regarding all student non-attendance are conducted in a timely manner.

2. Follow-Up Protocol

When a student is recorded absent without permission or notification from the parent/guardian, the principal or designate shall:

- 2.1 Ensure that parents/guardians are contacted. When necessary, alternative contact methods such as a letter home may be used.

- 2.2 Investigate reasons for non-attendance with a focus on intervention and prevention. The principal may involve other school or system personnel such as vice-principals, classroom teachers, student support teachers, counsellors, the Support Services Coordinator, the Superintendent of Operations as well as outside agencies.
