

SERVICE DOGS IN SCHOOLS

Background

Prairie South School Division is committed to the delivery of high quality education programs, supports and services that allow students with diverse needs to maximize their learning and achievement. The Division recognizes the diverse needs of some students may require unique accommodation(s). These accommodations, linked to the student's learning profile, may include the use of service dogs in situations where there is a physical disability, such as blindness or low vision, deafness or hearing impairment, as well as seizure disorder or autism spectrum disorder.

Prairie South School Division is also committed to ensuring it operates within the legal mandate of all legislation in meeting the needs of its students. This includes The Education Act, 1995 and The Saskatchewan Human Rights Code.

"Service Dog" means a dog that has been trained and accredited by Assistance Dogs International, to provide assistance to an individual with a disability.

2. The parents/legal guardians must co-operate with the school division and provide appropriate information about the student's educational restrictions and define the benefit of a Service Dog to the student when requested by the school division in order for the school division to determine if other accommodations would address the restrictions of the student during school hours.
3. Before approving the presence of a Service Dog in the school the Principal shall, with the support of the Superintendent of Learning, make enquiries as to whether or not the introduction of the Service Dog into the school will affect the medical restrictions of other students in the school.
4. If the presence of a Service Dog is approved by the principal and the Superintendent then the following shall apply:
 - 4.1 If other students/staff with medical restrictions will be affected by the presence of the Service Dog:

 - 4.2.6 provide up-to-date proof of vaccinations, and licensing of the Service Dog annually;
 - 4.2.7 indicate who will accompany and handle the service dog both inside and outside the school and what arrangements have been made with regard to alternate handlers when necessary;

 - 4.2.9 Allow school division staff and volunteers to touch, feed, or deal with the Service Dog in any way that may be required to ensure appropriate care of the Service Dog and the safety of students and staff.

 - 5.3 The agreement to accommodate a Service Dog is reviewed annually and may be modified as required following the same process set out in this administrative procedure.
 - 5.4 If the student moves to a different school, the request for a Service Dog must be resubmitted and initiated in advance, at the new site with the principal.
 - 5.5 The agreement to accommodate a Service Dog may be terminated by the Division if the dog does not have up to date Assistance Dog International accreditation documentation or licensing.
