

COMMUNITY USE OF SCHOOL FACILITIES

Background

School facilities shall be utilized for education of students in the public educational system. When not occupied, school facilities may be made available to responsible individuals or organizations for community use.

In providing for the community use of schools the Division levies a rental charge to approved groups. The rental charge is intended to cover operational expenses and additional maintenance costs. Rentals, for the most part, are limited to service clubs, religious organizations, and other groups seeking to promote the educational, cultural, and recreational aspects of community life.

The Division does not ordinarily rent space to any individual or firm for commercial or monetary gain with the exception of the Centennial Auditorium which is available for this purpose.

Provisions are made to use the schools when requested for conducting local, provincial, or federal elections.

Prairie South School Division reserves the right to deny any application to rent its facilities on a case by case basis at its own discretion.

Prairie South School Division reserves the right to undertake its own productions to help offset operational costs and promote local talent.
