FOR STUDENTS AND PARENTS: NEW STUFF

- Stay up to date daily with all career-related information, **join the Prairie South Career Google Classroom**. This is for students, parents, teachers, or anyone who wants up to the minute info about all things career. Get all kinds of information from post-secondary institutions, open houses, how to navigate that new transcript request system, scholarships, webinars, presentations, how to write resumes, apply for jobs, and much more, all sent right to your device. If you have not signed up yet, you are missing out on a whole lot of valuable information. Sign up today. 
- Are you interested in medicine? Then you should check out the [Rural Outreach and Mentorship Initiative \(ROMI\)](#). It is a medical student-run program through the Society of Rural Physicians of Canada. ROMI pairs rural high school students with medical student mentors from across Canada for one-on-one mentorship. We also host monthly virtual info sessions on topics such as applying to medical school, student life, and careers in medicine. The program runs until May.
- Canadian Parents for French will be hosting a [Virtual Bilingual Career Fair](#) from **November 17-28, 2025**. This event will give French immersion students from grades 7 to 12 the opportunity to learn about career paths from coast-to-coast where French is an asset. We want students to be inspired by FSL role models who continue to from their bilingualism. Since this event launched in 2020, it has hosted hundreds of participants across the country.

CANADIAN PARENTS FOR FRENCH

Classrooms are invited to: View pre-recorded videos and execute interactive lesson plans to learn from aspirational professionals whose French has helped shape their careers. Register for live Zoom Q&A sessions that classrooms can sign up for to talk one-on-one with our esteemed presenters. Compete in a virtual scavenger hunt on an individual basis to encourage students to explore the fair content and enter to win educational prizes.

This year's Career Fair features a diverse cast of professionals, including a language specialist, a government lawyer, a chief administrative officer, a recruiter for the Canada Border Services Agency, and a professional musician and educator. Scan the QR Code in the poster to register.

- **Saskatchewan Apprenticeship Parent Information Session: AE Peacock Collegiate Auditorium, Nov. 18, 5:30 pm. All are welcome. No registration required.**
 - Is your child interested in pursuing a career in the skilled trades? Curious about the journey to becoming a certified journeyperson?
 - **Join Morgan Waldo from the Saskatchewan Apprenticeship and Trade Certification Commission (SATCC)** for an informative presentation on post-secondary pathways in the skilled trades. Morgan will outline the two main routes to a career in the trades — Pre-Employment Training and Apprenticeship — and provide insight into the Saskatchewan Youth Apprenticeship (SYA) program available to high school students.
 - Following the presentation, there will be an opportunity to ask questions and learn more about how to support your child's future in the skilled trades.
- **HURRY HARD.** Remember that most of Sask. Polytechnic's programs are [First Qualified, First Admitted \(FQFA\)](#) which means first come, first served, when you meet the minimum requirements. For current grade 12s, for many programs, the first opportunity to apply is Sept. 1, 2025. If you wait, the course may be full. Here is an [application guide](#) to assist you.
- Are you taking training for a trade for your post-secondary or are you entering the workforce in a trade? If so, you have only a short time to complete your [Sask. Youth Apprenticeship Challenges](#). Doing SYA allows you to acquire 300 hours of trade time, free level 1 technical training (potentially saving nearly \$900), free registration (\$250 savings), and a shot at one of the 100 scholarships worth \$1000 across the province.
- [RDIEC](#) is hosting several upcoming in-person and virtual events including:, Nov. 6; [Regina Police Spotlight](#), Nov. 20. Go to the [RDIEC](#) website to register or click on links above.
- Before someone from a university or technical school comes by your high school, have a look at these [tips to prepare for post-secondary representatives](#).
- Discover Year, a purposeful gap year, is holding a virtual [Info Session](#) on Jan.22. Other info sessions will be held Mar. 10, and May 12.

FOR STUDENTS AND PARENTS FROM PREVIOUS ISSUES: OLD STUFF

- If you have any type of disability and you plan to attend post-secondary in the fall, contact the [Saskpolytech Accessibility Services](#) or [U of R Accommodations](#) or [U of S Access and Equity Services](#).
- Students 16-18 who are interested in volunteering in the health care field, consider the Volunteer Program where you would go into hospitals and health centres to spend time with patients and help health care professionals. Contact [John Paul Hickie](#) (306-630-7405).
- Looking for scholarships? Check out the [Scholarship Library from mycampusgps.ca](#). It's a paid service, but you can acquire great information to be able to be well-prepared in grade 11 to apply for scholarships in grade 12.
- [Bridge To Campus](#) is a new organization dedicated to helping students in rural communities access resources when applying to university and experience a seamless transition into university by setting up students with webinars and 1:1 mentoring. Although they are based in McGill, they will help all students. Students, parents, and teachers are welcome to contact them, and all services are FREE.
- If what you're doing to help you figure out some career possibilities just doesn't seem to be working, you can have a look at a [Career Assessment](#) from Ken Coleman. It provides you with several assessments to lead you to understand your talents, passion, mission, and vision, as well as some practical options for potential industries and occupations that could be in your wheelhouse.

- Learn about education lines of credit, scholarships and bursaries, Can/Sask. Student Loans, First Nations and Metis Band Funding, and other post-secondary funding at the [RDIEC](#) event: Parents as Career Coaches: Funding your Child's Education.
- Keep up to date on the [RDIEC YouTube Channel](#) for all the newest virtual spotlights.
- Interested in health sciences? Saskatchewan has agreements with post-secondary institutions in other provinces to reserve seats for eligible Saskatchewan residents in specific health training programs not offered here. The programs include Respiratory Therapy, Nuclear Medicine, Diagnostic Medical Sonography (Ultrasound), Occupational Therapy, Magnetic Resonance Imaging (MRI), Cardiovascular Perfusion, Electroneurophysiology, and Prosthetics and Orthotics are offered in Alberta and BC schools.
- Have a look at the [Health Science Fact Sheet](#) for more information on health programs in and outside the province. Check out the expansion of the [Health Training Program Opportunities](#).
- Unsure of what you wish to do after grade 12? Consider [Discover Year](#), an innovative one-year life skills program that helps young adults better understand what they want and build the skills they need to go out and get it. Students learn a variety of skills and have experiences that prepare them for life after their gap year, whether that be the workforce or a post-secondary program. They get to travel, plan and do community service projects, do teamwork activities, and more. Application deadline for Discover Year is Aug 15 yearly. [Apply here](#).
- Or check out [The Canadian Gap Year Association](#) for different options for a gap year after grade 12. Instead of an in-person year of activities, this organization has [several specific programs](#).
- [Stepabroad](#) is another option for a gap year. It's advertised as a working holiday. Destinations include Australia, Japan, New Zealand, United Kingdom, Spain, South Korea, and France, and the duration is anywhere from one month to three years, depending on the location. They assist students with acquiring work visas and all the red tape. This program is in conjunction with the Federal Government's International Experience Canada (IEC) Program. Other countries also offer the option of a working holiday. See the full list [here](#).

ORDERING TRANSCRIPTS:

MyCreds TRANSCRIPT REQUEST PROCESS: is as follows:

A fantastic step-by-step guide for using MyCreds, with specific instructions and screen shots is on the U of R website. [Click here](#) to access it. You don't need to be going to the U of R to use it.

1. Submit your PERSONAL email (non-school, non-parent) that you will use after grade 12 to your administrator or admin assistant in the office. From there they will submit your email address to MSS and then connect that email you provided with MyCreds. This may take a day or two.
2. Go to this website: [High School or Adult 12 Transcripts](#)
3. Once you have clicked the button you will be taken to a screen that will require you to fill out your information. This will also include a section where you will need to provide a picture of your photo ID, as well as a picture (selfie) of you with your photo ID included (right next to your face). After submitting all the information, you should receive an email within a few days letting you know that you're setup to access MyCreds and begin sharing your transcripts with post-secondary institutions.
4. Each share of your transcript will cost \$15.00 per institution. ALWAYS CHOOSE THE INSTITUTION FROM THE DROPDOWN MENU. **DO NOT CHOOSE EMAIL.** Choosing from the dropdown will ensure that your transcript is automatically sent from MyCreds to your school(s) of choice automatically each time there is a class completed. Choosing email means you need to make multiple requests and pay \$15 multiple times.

More information is in the links: [MyCreds Homepage](#); [MyCreds How-To Videos](#); [MyCreds FAQs](#)

FOR CWEX, CAREER ED., PAA TEACHERS, CAREER COUNSELLORS: NEW STUFF

- Do you teach CWEX or career Ed 6-9? Are you a career or guidance counsellor? If you have anything to do with anything career-related, you should join SCWEA, the Saskatchewan Career and Work Education Association. It is one of the Professional Growth Networks (PGN) of the STF. Contact [Kerrie Binetruy](#) or [Amanda Ross](#) to register.
- The SCWEA Career Connection Conversations on the first Tuesday each month at 4:00 pm, via Teams. This allows you to learn about numerous career-related topics.
- The November Career Connection Conversation will feature Kelly and Taylor from Chatter High. Learn how this program works and how it can help you promote Career Exploration in your role. Come prepared to learn and share how Canada Career Month is being celebrated in schools across the province. Join the meeting on Nov. 4 at 4:00 pm. [Use this link to join the meeting](#)

FOR CWEX, CAREER ED., PAA TEACHERS, CAREER COUNSELLORS: OLD STUFF

How to Get Started:

- **Download the Curriculum:** Visit our [Educational Curriculum webpage](#) to request your free digital copy of the Careers in Mining: A Teaching Resource.
- **Incorporate into Your Lessons:** Use our ready-made lesson plans to seamlessly integrate mining topics into your existing curriculum.
- **Engage Your Students:** Inspire your students with real-world applications and exciting career opportunities in the mining industry. You may also request a speaking engagement to be arranged with one of our volunteer Career Ambassadors.
- **Enhance your Student's Learning Experience with Our Career Ambassador Program.** Industry experts are available to speak with young people to highlight mining career opportunities and the sector's commitment to sustainability, social responsibility, and innovation. Our volunteer ambassadors are enthusiastic about raising awareness of the exciting careers in mining. Request a Career Ambassador for an in-person or virtual presentation today by clicking [here](#) or the [Career Ambassador Program webpage](#).
- **Changes to Career Safety Education:** The Sask. Safety Council does not require participating students to take Young Workers' Readiness Course, but it remains a requirement of the Saskatchewan Government for those ages 14 and 15 only. Participants who enroll in Career Safety Education will be given sequential access to the following programs: New Worker Readiness, Mental Health Resiliency, WHMIS, Hearing Protection, Industry Elective(s) of choice. Once enrolled, Career Safety Education is an automated process whereby each course can only be accessed after the pre-requisite, or previous course, is completed. This makes the system much more efficient than previous versions. If your curriculum requires the completion of Young Workers Readiness, **that is a separate requirement from our program** and not related. If you prefer that your students take only a specific industry course(s), and not participate in the system as defined above, we can modify their registrations to allow different access, however some courses such as SCOT and WAVE would no longer be available to them.

There are **2 pathways** schools can choose to participate in our free training:

We Need Mining. Mining Needs You.

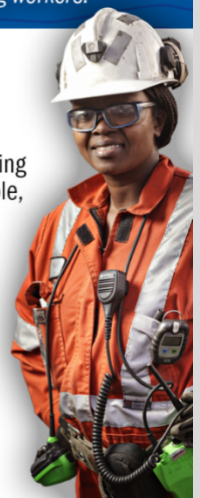

Career Ambassador Program

Inspiring Canada's next generation of mining workers.

Request a Career Ambassador to Speak to Your Youth Audience!

Knowledgeable and passionate industry representatives are available to deliver presentations that inform youth of the exciting career opportunities in Canada's sustainable, safe, environmentally conscious, and competitive mining sector.

MiningNeedsYou.ca

- **Career Safety Education Guided Pathway** – This is a hands-off system that allows students to take 1 course at a time in a specific order to help build their knowledge at each step. They take New Worker Readiness, Mental Health Resiliency, WHMIS, Hearing Protection and lastly, an industry elective. This ensures the learner is building the knowledge at each step that can be used to help understand the next course content. (**Note: New Worker Readiness is not the same as YWRCC** offered by the Government of Saskatchewan, **New Workers Readiness provides significantly more detail in understanding risk and safety within first jobs.** YWRCC is a legal requirement for those aged 14 or 15 at the time of employment). To register for the Career Safety Education, complete the profile request form [here](#).
- **Self-Learning Pathway** – The learner is given access to all the free training, allowing them to pick and choose what courses to take based on what they need. This pathway is recommended for those that already have a foundational knowledge of workplace safety, risks, hazards, and control measures so they can comprehend the material in the courses. It is also the one used if you only want a single course or access to courses in a different sequence than is recommended. For all-access to the programs in the self-learning pathway, complete the profile request found [here](#).

What teachers responsible for young workers need to know:

- **Commonly Confused** - Young Workers Readiness Course & Career Safety Education
- **Young Workers' Readiness Course** is a single course that is required to work in Saskatchewan for those aged 14 and 15 only.
- **Career Safety Education** is a series of voluntary training courses designed to prepare new workers at all ages for employment in Saskatchewan.
- Keep up to date on the [RDIEC YouTube Channel](#) for all the newest virtual spotlights.
- Anyone teaching Career and Work Exploration (CWEX) please contact [Jeff Feeley](#) for CWEX employer folders, certificate frames, gifts, CWEX binder, or anything else related to CWEX. Or if you are new to teaching CWEX, please contact him to learn more about running the course. CWEX calendars are ready to go on [Connect](#).

APPRENTICESHIP AND TRADES INFO: NEW STUFF

- Sask. Apprenticeship has a [MyATC Guide](#) for teachers and other SYA Champions. It will make your experience smoother, faster, and more intuitive. Whether you're looking for key resources, helpful contacts, or step-by-step instructions, everything is now easier to find and navigate.
- Here is the October [Sask. Youth Apprenticeship Newsletter](#).

APPRENTICESHIP AND TRADES INFO: OLD STUFF

- Sask. Youth Apprenticeship (SYA) is now listed as an approved Implementation Resource by the Ministry of Education for a wide range of Practical and Applied Arts (PAA) courses. This means SYA can be used directly to help meet curriculum outcomes in classes such as Construction, Automotive, Welding, Electrical, Career and Work Exploration, and more without adding extra work for teachers. The full list of applicable courses and the official resource listing can be found [here](#).
- Sask. Apprenticeship's SYA Program Development Specialist is [Alora Heinrichs](#) (306-227-7801). Contact Alora for information on career fairs and SUTIL inquiries. In the south of the province, contact [Morgan Waldo](#) (306-527-1730). She is the SYA Program Consultant in the Regina office, and she coordinates SYA presentation requests in the south half of the province, VR presentation requests, and MyATC assistance.

- If you wish to book a presentation from Sask. Apprenticeship, contact the main office (306-787-2444) in Regina. Three presentations are available:
 - Saskatchewan Youth Apprenticeship (SYA) (overview of skilled trades, apprenticeship process, and educates students on SYA—45 minutes)
 - Saskatchewan Youth Apprenticeship and Virtual Reality (condensed overview of skilled trades, apprenticeship process, and educates students on SYA, followed by the opportunity for students to try out a trade using VR technology—3 hours)
 - Saskatchewan Youth Apprenticeship and MyATC Registration (overview of skilled trades, apprenticeship process, and educates students on SYA, followed with a student registration walkthrough of MyATC—60 minutes)
- [What is Apprenticeship Brochure](#) can provide information for those interested in apprenticeship trades.
- [Entrance Requirements-for-Apprenticeship Training](#) explains the high school grades and classes required to apprentice in each specific trade.
- [Journey through Apprenticeship](#) explains the process involved in becoming a journeyperson and the difference in getting there via direct apprenticeship versus pre-employment.
- All SYA Champions and SYA Participants will need to have a MyATC account. New students are registered through MyATC. SYA Champions can approve youth apprentice registrations, and request and access completion certificates. SYA Participants can view levels completed and print their completion certificates and will use MyATC to apply for apprenticeship when they are ready. If you were registered with us as a school before January 10, 2022, you will have a code that you will use to register. Your code will never expire and can be used to set up multiple SYA Champs. If you've lost your code or you are a brand new school please contact us at youthapprenticeship@gov.sk.ca.
- Another guide to explain how to get registered for MyATC can be found [here](#). If you have questions, contact Sask. Youth Apprenticeship at youthapprenticeship@gov.sk.ca. You can find MyATC [here](#).
- [Free WHMIS Training](#) is available through the Sask. Safety Council. Login to our [Learning Management System](#) and check out the other free programs listed below.
[Fall Protection](#), [Ground Disturbance](#), [Hearing Protection](#), [Mental Health Wellness Resiliency](#), [New Worker Readiness](#), [Respiratory Protection](#), [Retail Safety Training](#), [Safe Gravel Travel](#), [Safe Trailing](#)

- New students entering university can take it as a standalone program or concurrently with their degree program (such as Commerce or Engineering) to expand their scope for future careers.
- Students going into Grade 12 next fall can get a head start on their degree by taking [COMM 101](#), an online business course offered by Edwards School of Business. This is an especially great option for students in high schools unable to offer business education courses on-site. With [COMM 101](#), students can:
 - o find out whether commerce is right for them
 - o discover what major they're interested in
 - o meet like-minded students from across the province
 - o possibly earn a scholarship toward their future degree
 - o earn high school credit in Saskatchewan

Apply on [Edwards' COMM 101 Online page](#) by December 1, 2025 to start in January 2026.

NEW for this year: The application process for early start students has been simplified; details can be found on the page linked above.

- Did you know the University of Saskatchewan (USask) Bachelor of Science in Nursing (BSN) degree can be completed at USask campuses in Prince Albert and Saskatoon or at distributed learning sites in Île-à-la-Crosse, La Ronge, Lloydminster, Yorkton, North Battleford, Muenster, Swift Current and Weyburn? This allows students to stay closer to home with their support network as they work to complete their nursing degree.
- Students interested in careers in Physical Therapy, Occupational Therapy or Speech-Language Pathology, should explore the programs offered by USask's [School of Rehabilitation Science](#).

UNIVERSITY OF REGINA: NEW STUFF

- Interested in residence? Learn more about applying at the [U of R Housing Application Workshop](#), Nov. 5 from 6:00 to 7:30.
- Nov. 6 is a great opportunity for those interested in engineering or don't know much about it and want to learn more. Hear from profs and current U of R students, and meet future classmates. Bust a few myths about engineering (trains are rarely involved). Win some prizes. Parents and teachers are also welcome to attend, especially the info session, just for them. [Click here](#) or on the poster to register.
- Would you like a head start to university and get FREE TUITION? The High School Accelerated Program (HSXL) allows motivated Grade 11 and 12 students to take University of Regina courses while still in high school. Students will gain valuable university experience, build academic confidence, and can even earn dual credits toward both their high school diploma and future degree. Students who continue at the U of R after their HSXL course may also qualify for the [Tuition Reimbursement Award](#), covering the full cost of their HSXL tuition and fees. Here is how it works.
 - Application Deadline:** January 18, 2026
 - Winter Course List:** Available on our [website](#) or in the attached HSXL Newsletter
 - How to Apply:** Students must submit their application through the [Application Portal](#)
 - Next Steps After Admission:** Once admitted, students must accept their offer in the portal before we can register them in their selected course(s).
- Learn more at one of our upcoming virtual sessions for students and parents: **November 19, 2025 – 5:00 PM** (SK time) or for career counsellors **November 26, 2025 – 9:00 AM** (SK time)
These sessions will cover everything from the course schedule and admission process to supports and Tuition Reimbursement Award.

UNIVERSITY OF REGINA: OLD STUFF

- Tuition Reimbursement Award: Students who are considering pursuing their undergraduate degree at the University of Regina may be eligible for the Tuition Reimbursement Award. The award covers the tuition for high school accelerated courses when students attend U of R after high school graduation. [To view the eligibility criteria, please click here.](#)
- If you wish to pursue a professional program at another university, consider taking pre-professional courses at the U of R. Take one to four years of university before applying to a professional program in agriculture and bioresources, chiropractic medicine, dentistry, law, nutrition, occupational therapy, optometry, pharmacy, physical therapy, radiation therapy, or veterinary medicine. Check out [Pre-professional Studies](#) and meet with an academic advisor to plan your first year.

- Check out the new engineering program, [Energy Systems Engineering](#). It is closely related to Petroleum, Sustainable Energy, and Energy Transportation and Storage Engineering.
- Prospective students can use this [Application Guide](#) to assist in providing information about the application process, admission requirements and application deadlines for each program.
- Students can take many courses in their own communities or from their homes through the [Flexible Learning Division fall courses](#).

SASKATCHEWAN POLYTECHNIC: NEW STUFF

- Apply now. Most of Sask. Polytechnic's 150 programs are [First Qualified, First Admitted \(FQFA\)](#) which means first come, first served, when you meet the minimum requirements. For current grade 12s, for many programs, the first opportunity to apply is Sept. 1, 2025. If you wait, the course may be full. Here is an [application guide](#) to assist you. 
- **New:** First Qualified/First Admitted programs may close to new applications once it is filled to capacity and has started a waitlist. Please check the status of the program's application process by visiting the respective program page prior to applying. If you don't receive an offer for the current academic year after being waitlisted, you will be invited to reapply during the reapplication window (September 1 - 15). Students who choose to do so will retain their original qualification date and maintain their position in the queue (first-choice priority) for the next intake.
- Dual Credit: Students who are already interested in the Business Diploma program can get started and Study Once, Count it Twice. Courses run February 2 – June 5, 2026
- Business diploma courses offered:
 - o ACCT 122 – Intro Financial Accounting 1 (Accounting 10)
 - o BUS 104 – Introduction to Business (Entrepreneurship 20)
 - o FIN 100 – Personal Finance (Financial Literacy 20)

- Are you a female interested in a trade or a tech-based job? Women in Trades and Technology (WITT) provides the chance for you to try out a variety of different trades and tech programs without having to deal with all those boys getting in the way. [Electrical and Welding](#) are offered on Nov. 22 and 23 in Moose Jaw. Cost is \$150. [Computer Automated Systems, Computer Networking Tech, Plumbing, Machining, and Welding](#) are offered in Regina on Saturdays and Sundays from Nov. 15-30 in Regina. Cost is \$250. For more info or to register, contact WITT Coordinator, Justine Jacobson, Moose Jaw Campus 306-691-8248. **The**

deadline to apply is Nov. 7.

- The 3rd Annual Business Diploma Case Competition will be Nov. 12 in Moose Jaw. In partnership with the **Saskatchewan Rush of Saskatoon Entertainment Group**, we are thrilled to invite grade 9 to 12 students from Prairie South School Division to the 3rd annual Business Diploma Case Competition. Students will generate ideas for a case scenario related to the business operations of the Saskatchewan Rush and present them to expert judges including Rush personnel. This event is for students and teachers interested in applied learning opportunities related to business, entrepreneurship, communications, sport, and more. Don't miss your chance to have fun, win scholarships and prizes, learn about the Business diploma program and sport and entertainment industry, and experience the polytechnic advantage. The event is free to attend, and lunch is provided. [This video](#) is from last year's event. Use [this form](#) to register. Contact [Stephen Kirzinger](#) for more info.
- When students apply to Saskatchewan Polytechnic, they can now select a second and third-choice program on their application; however, we follow a first-choice priority admission process:
 - o First-choice programs are always reviewed and offered first
 - o Once we've assessed and made offers to first-choice applicants, we may begin reviewing second and third-choice applications
 - o Second and third-choice consideration is not guaranteed and is dependent on seat availability after first-round offers only
 - o Additional choices are only reviewed if a student is ineligible for their first choice or placed on a significant waitlist for their first choice
 - o Tip: If a student is interested in a competitive or quick-to-fill program, we strongly recommend they apply to it as their first choice or submit a separate application for each program they want to be simultaneously considered
