

Coteau Hills Elementary &
Our Lady of Hope Catholic School
Playground Fundraising Committee

Dear South Hill Schools Alumni,

We are excited to announce the upcoming opening of our new school, bringing together the legacies of Empire School, St. Mary School, Westmount School, and Sacred Heart School. This incredible new space will welcome approximately 900 students when it opens in September 2025.

As we prepare for this milestone, we want to ensure our students have access to safe, engaging, and inclusive playgrounds that encourage learning, play, and growth. However, building high-quality playground structures is costly, and it would take years for our School Community Councils to raise the necessary funds alone.

That's where you come in! We're launching the Student and Staff Alumni Challenge, inviting past students and staff to come together in a friendly competition to help make this dream a reality. Whether you contribute individually or rally your former classmates and colleagues, your donation will leave a lasting impact on future generations.

Let's show our school pride and make a difference! Are you up for the challenge?
