# Welcome Back

*We are excited to welcome all our staff back and wish each of you a successful year ahead!*

We would like to extend a warm welcome to all our new teachers! We wish you a great year with Prairie South!

# The Wheels on the Bus Go Round and Round

Our mechanics and transportation department staff work hard over the summer to ensure all the buses are ready to roll when school starts.

Kara Stevens, Driver Safety Relations Officer and Lonny Holmes, Transportation Manager, held a successful First Riders Program in August, during one of our many heatwaves!

Marla Cushway, Routing Support Officer, is busy getting students on buses for September 1!

Jake Murray one of our Mechanic's Helpers, keeps our buses shiny and clean!

# Facilities Staff Hard at Work!

There's nothing like that feeling the first time you step into the school at the end of summer, and see the shiny hallways! Our facilities staff work tirelessly over the summer to ensure all schools are ready for the return of staff and students. This year staff were kept busy doing many different projects - a huge thank you to this team for all their hard work!

# Division-Wide Learning Day and First Day Smiles!
