Welcome Back!

As we embark on another exciting year, we would like to extend our warmest welcome back to school. We are thrilled to have you as part of our Prairie South community!

This year marks the beginning of the Provincial Education Plan 2030. The Plan focuses on supporting students in learning what they need for their future, ensuring they feel safe and supported, and have a sense of belonging and connection. The Plan consists of four priority actions that are of equal importance. The four action priorities are: Learning and Assessment; Indigenous Education; Mental Health and Well-Being; and Student Transitions.

We all play a critical role in actualizing the Provincial Education Plan over the next seven years, and the great work you do that contributes to Prairie South being a world-class organization has given us a head start on this important work.

We would like to wish you all a fantastic start to the 2023-2024 school year!
