# AGENDA ITEM

<b>Meeting Date:</b>	November 25, 2025	<b>Agenda Item #:</b>	4.1
<b>Topic:</b>	<b>2024-25 Annual Report and Audited Financial Statements</b>		
<b>Intent:</b>	<input checked="" type="checkbox"/> Decision	<input type="checkbox"/> Discussion	<input type="checkbox"/> Information

<b>Background:</b>	In May 2012, a change to <i>The Education Act, 1995</i> created the requirement that Board of Education annual reports be tabled in the Saskatchewan Legislature. These requirements mean that Board of Education annual reports must be completed in a consistent manner and format, as outlined by the Ministry of Education, and that they must include several standard financial and non-financial items, including the audited financial statements. The Ministry provides a standard template, manual and series of deadlines for drafts and review that school divisions are to follow.
<b>Current Status:</b>	The Annual Report has been completed and provided to the Ministry for review. The Business, Infrastructure and Governance Committee reviewed the draft Audited Financial Statements at their meeting held on November 25. Subject to approval by the Board, the final version is complete and ready for submission. Minor additional editing may still be required by the Ministry of Education prior to tabling the report in the Legislature. An appendix to the Annual Report, the Audited Financial Statements, has been reviewed by Prairie South's auditor, MNP, the Provincial Auditor, and with input from the Ministry of Education. Representatives from MNP and the Provincial Auditor will attend the meeting.
<b>Pros and Cons:</b>	
<b>Financial Implications:</b>	The audited financial statements provide a snapshot of Prairie South School Division's financial position on August 31, 2025.
<b>Governance/Policy Implications:</b>	The tabling of the Annual Report in the Legislature is an accountability function for the Board of Education. This practice led to the elimination of the historical Annual Meeting of Electors when the Education Act and Regulations were reviewed in the spring of 2017. The Board will have the opportunity to meet with representatives from MNP in closed session with no staff present as a part of the meeting.
<b>Legal Implications:</b>	
<b>Communications:</b>	Documentation from the meeting is either confidential for the use of the Board and staff or in confidential draft status. The Annual Report with audited financial statements will be available on the Prairie South website when it has been fully approved.

***Recommendation:***

That the Board accept the 2024-2025 Annual Report as presented, including the audited financial statements and the \$47,661 restriction for future capital, and direct administration to complete final editing as necessary and to submit the report in accordance with Ministry guidelines.
