

TRANSPORTATION INFORMATION

Requesting Transportation

Please visit your school to request transportation and complete the Request for Bus Service form. Pick up and drop off addresses must be inside the catchment area for the attending school in order to qualify for transportation. All transportation requests (new and changes) go to the school first to confirm attendance then the school sends to transportation for the student to be placed on a bus.

Transportation boundaries are reviewed annually and are subject to change.

Accessing the Parent Portal

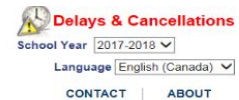

Once you receive approval for transportation, please review the instructions below to access the parent portal. You can view your child’s transportation schedule, pick up and drop off times, bus number as well as set up email alerts and notifications. Please note that bus drivers will no longer be calling students with their pick-up times.

Please ensure you check the pick-up location as we do not offer door-to-door service.
